

## MAYOR STOPS ALL WINNIPEG PARADES

Forbids Crowds on Streets. Efforts to Conciliate Strike at Standstill.

By the Associated Press.

WINNIPEG, June 6.—In a formal proclamation published this morning, Mayor Charles F. Gray ordered the stoppage of all parades and forbade the congregation of crowds on the city streets.

Strengthening of the police force by one thousand veterans as special constables caused an increase during the night in minor disturbances and personal encounters, but no unusual demonstrations occurred. Conciliation efforts were practically at a standstill as the general strike today entered its fourth week.

### Strike Opposers Gain Strength.

Members of the veterans' associations here who are opposed to the general strike have been gathering in their counter demonstrations and hundreds of them volunteered to give Mayor Charles F. Gray assistance in maintaining order. Cooler heads among the leaders prevented discussion at yesterday's meeting of a parade to the trades and labor temple. Strikers and strike sympathizers, including many returned soldiers, continue their parades also, but their demonstrations have so far been orderly.

### More Join Vancouver Strike.

Several more unions have joined the general strike at Vancouver, and coastwise shipping is almost completely tied up. The Canadian Pacific has begun arrangements to fill the places of strikers with girls on their coastwise steamers. The stand taken by newspapers at Vancouver in their refusal to permit censorship of strike news by the typographical union won for the newspapers today when the union rejected from its action.

Two days ago the union rejected the call to join the sympathetic strike and the men remained at work, but informed the publishers they would not set up any news on the strike which they deemed unfair. Any newspaper refusing to abide by the decision was to be left without a staff of compositors. All the papers united in refusing to permit union censorship.

### FORMER BUSINESS HIGH STUDENTS TAKE OUTING

Scores of Families Leave for Marshall Hall to Spend the Day.

Overhanging clouds failed to dampen the spirit of former students of Business High School, who went to Marshall Hall on their annual outing today.

Scores of families went to the resort on the first boat at 10 o'clock. Larger crowds are expected on the boats scheduled to leave at 2:30 and 6:15 o'clock.

Three innings of base ball between a team of boys and a team of girls will be one of the features of the athletic program this afternoon. Fifty per cent of the proceeds of the outing will be used to carry on the branch of the alumni association which is working to find positions for all former Business students who are returning from the military service.

The committee in charge of the outing is comprised of K. C. Markward, chairman, and Le Roy Finagin, W. J. Tasset, Miss Helen Barrett, Fred D. Connor, Dr. H. N. ### BAND CONCERT PROGRAM FOR JUNE IS CHANGED

Stationing of Engineer Organization at Camp Humphreys Compels Alteration of Plans.

Because the Engineer Band at Washington barracks will be stationed at Camp Humphreys, Va., during the month of June instead of in this city, as had been expected, Col. C. S. Ridley, the engineer officer in charge of public buildings and grounds, has been compelled to change his program for concerts in public parks during the remainder of this month. The Engineer Band was to have taken part in those concerts.

All the concert schedule for Monday evenings in June have been canceled. The concert which was scheduled to take place in Logan Park, Anacostia, next Tuesday evening will be held in Lincoln Park instead, and the concert scheduled to take place in the Smithsonian grounds Tuesday evening, June 17, will be given instead in Washington City.

## READ--

What Cosmo Hamilton, noted author, said about "Sahara."

"I was particularly struck with the beauty of the desert scene and the wonderful way in which the atmosphere of the gripping story was realized. The whole thing seemed to show a distinct advance in the artistic side of moving pictures."

CAROLYN WELLS, Noted Writer, Said:

"Sahara" is a delightful production. The story is of deep emotional interest and the development logical. The settings are wonderful. I enjoyed especially the Paris scenes, and being an enthusiastic Egyptian traveler, the realism of the desert incidents strongly appealed to me. Even the titles were exquisitely done and the whole atmosphere full of charm and interest."
